Additional Customer Fees & Charges

The following are fees established by the City of Los Angeles that the Franchisee may charge their customers if they are unable to service the solid waste, comingled recyclables, or organic waste containers for any of these reasons:

Overfilled:

- The solid waste, comingled recyclables, or organic waste materials are observed to extend above the rim of the container and the lid will not completely close.
- The solid waste materials are placed outside of a full container and prevent the container from being safely collected.

\$26.68 per occurrence

Overweight:

- The amount of solid waste, comingled recyclables or organic waste material exceeds a collection truck's ability to collect it or creates unsafe conditions for collection personnel.

\$107.19 per occurrence

Contamination:

- More than 10% of the material in the blue bin recycling container is solid waste or organic waste.
- More than 10% of the material in the green organics container is solid waste or comingled recyclables.

\$53.36 per occurrence

Penalty Assessment

- Before you are assessed any fees for not properly separating your waste, the following steps will be taken by your FSP:
 - 1st instance: Photos will be taken of the non-conforming container. A written courtesy notice will be provided explaining the special collection needs of the non-conforming material and include information of potential fees.
 - 2nd instance: Same as 1st Instance with the inclusion of a potential fee.
 - 3rd and subsequent instance: Your FSP will have the option of charging the appropriate fee or initiating non-collection procedures.
 - 2nd or 3rd instances considered as such if they occur within twelve (12) calendar months.

Hazardous, Radiological or Biochemical Waste Contamination:

- State law prohibits the disposal of hazardous waste and certain electronic waste in the solid waste, comingled recyclables, or organic waste containers.

\$107.19 per occurrence

Bulky Waste:

Materials which are too large to be placed in the black bin.

\$32.01 per item

About Ware Disposal

Ware Disposal is proud to be a woman-owned business enterprise. Since 1968 we have pledged to provide the highest quality and most efficient refuse and recycling services to businesses and families throughout Southern California. As a true zero waste company we handle all facets of waste and recycling, from precycling, all the way to the processing of valuable discards like food waste, organics, recyclables, and construction and demolition debris.

Our business is ranked in the industry Top 50 for recycling and waste. We are a very diverse company too, with the majority of our workforce representing the minority communities we serve. Ware Disposal is extremely proud to offer re-entry programs for formerly incarcerated workers as well.

recycLA

We are proud to team up with the city of Los Angeles in implementing the innovative city-wide waste and recycling program entitled "recycLA". As the sole waste hauler for South-east Los Angeles, Ware Disposal will be working diligently with the city to push closer to a future of zero waste. We look forward to helping local businesses reduce waste and improve recycling practices. Through complimentary waste assessments we will help companies increase efficiency and reduce unnecessary expenses. In addition to implementing recycling, Ware Disposal will also help businesses diminish food waste by partnering them with food reuse and recovery organizations.

Temporary Services

Ware Disposal is here to assist you with all of your clean-up and disposal needs. Whether you are simply cleaning out your office, or taking on a large construction project, we can help with our wide variety of services:
