HELP KEEP LOS ANGELES CLEAN

Los Angeles Municipal Code **requires** that **businesses and apartments** must provide commercial waste and recycling service through the **recycLA program**.

Businesses operating in the City of Los Angeles that are not in contract with recycLA service providers are in **violation of the Los Angeles Municipal Code** and may be subject to a fine of up to **\$1,000 and a 6-month jail sentence**.

Call the **LASAN Customer Care Center** at **1-800-773-2489** and request a **recycLA solid waste assessment TODAY**.

Los Angeles residents and business owners are also encouraged to **report illegal dumping** by dialing **311** or submitting a service request by **emailing 311@lacity.org**.
