HELP KEEP LOS ANGELES CLEAN

Los Angeles Municipal Code **requires** that **all multi-family properties** must provide waste and recycling service through the **recyclA program**.

Apartment buildings and condo complexes in the City of Los Angeles that are not under contract with recyclA service providers are in **violation of the Los Angeles Municipal Code** and may be subject to a fine of up to **\$1,000 and a 6-month jail sentence**.

Call the **LASAN Customer Care Center** at **1-800-773-2489** and request a **recyclA solid waste assessment TODAY**.

Los Angeles residents and business owners are also encouraged to **report illegal dumping** by dialing **311** or submitting a service request by **emailing 311@lacity.org**.
